

About Drive

Drive Medical Design and Manufacturing is one of the fastest growing manufacturers and distributors of durable medical equipment in the world. The Company markets and distributes its products to customers located throughout North America, Europe, Central America, South America, the Middle East and Asia.

Philosophy/Mission

Our mission is to manufacture and market world-class products which focus on innovation, functionality and value to improve the quality of life and to promote independence for the individuals that use our products. The Company is dedicated to its customers by consistently offering the best quality and most functional products across a broad spectrum of health care providers' needs; better value and aggressive pricing; world-class customer service and technical support; friendly people to work with; and ongoing innovation.

Facilities

Drive has corporate offices and distribution facilities located throughout the United States, Canada, the United Kingdom, Germany, Romania, China and Taiwan. The Company's North America Technical Service Center is located in Bohemia, New York.

Drive Commodes

Drive commodes provide individuals with convenience, safety and comfort. We offer a wide variety of styles and features to meet individual's needs. Most Drive commodes are height adjustable to accommodate most individual's needs and have weight capacities up to 1,000 lbs.

Product Line

In addition to commode products, Drive manufactures a complete line of durable medical equipment including:

- Bariatric
- Bath Safety
