

# aQuaTrek™ TRANSFER PLATFORM • TP-1000

Usable With All Pool Access Products

Portable

Non-Skid Surface

Stainless Steel Fasteners

Lightweight and Durable

Safe and Comfortable

One-Year Warranty

The AquaTrek Transfer Platform was designed to better accommodate wheel chair users who desire to use your pool but don't want to use a lift. The TP-1000 AquaTrek

Transfer Platform provides an easy, convenient and comfortable way for wheel chair users to move themselves from their chair to the platform and down into the water. The TP-1000 AquaTrek Transfer Platform is designed to be used with any of our access products and is lightweight and completely portable.
