"Need a lift?" takes on special meaning when it comes to low-rise residential and commercial applications. The Vertilift is ideal for convenient accessibility to second floors of condominiums, office buildings, churches, schools, and residences.

Custom built to your specifications, the Vertilift from Liftavator provides a safe, quiet ride. It's a high-quality platform lift that's ADA and ANSI 18.1-2003 compliant, available in both indoor and outdoor packages, and comes with a 5-year product warranty. Vertilift quite simply is the finest platform lift on the market. Enjoy the convenient access and "upward mobility" of Vertilift today.
